A Brief Description of the Activity	Free legal and PSS support were provided to returnees, minorities, from Mosul, Hamdaniya, Sinjar, Bashiqa, and Bartla Districts. The beneficiaries of the project were Christians, Ezidies and Shabak.
Project Outputs	<ol style="list-style-type: none"> 1. Documenting the level of destruction of those people's properties using the GIS system. The number of cases was 243 ones. 2. Educating the returnees and IDPs in these areas about their rights, 185 persons. 3. Distributing booklets on public rights, 3238 copies. 4. Distributing booklets on ownership rights, 461 copies. 5. Providing legal services in courts and government institutions for 461 cases. 6. Providing PSS support to returnees and IDPs in these areas for 39 cases.

Activity Nr. 3

Activity Name	Distribution of food aids and hygiene kits to newly liberated civilians in West Mosul
The Donor	CordAid
Date of the Activity	10/5/2017 to 11/5/2017
Location	Ninawa Province, West Mosul
A Brief Description of the Activity	IID distributed 400 food parcels and hygiene kits with mineral waters to families who fled from clashes or newly liberated areas in West Mosul. IID voluntary team received and distributed aids to people at Al-Aqrab Screening Site, it is a security check point where people had to be screened and checked so as not to let any ISIL fighters run away from justice.

Activity Nr. 4

Activity Name	Safe space centers for children and women of Mosul
The Donor	ZOA
Date of the Activity	1/5/2017 to 31/12/2017
Location	Ninawa Province, East and West Mosul
A Brief Description of the Activity	IID open four safe space community centers to provide PSS, educational support and vocational trainings. The main focus of the centers was the psychological well-being of the people and how to alleviate all the pain and suffering they went through. Also, another goal was to provide educational support to thousands of children and illiterate women who were the victims of ISIL. ISIL disrupted those children and women education and made them three years behind. Concerning vocational trainings, the safe centers opened training course in sewing, cooking, hairdressing, etc. to provide the women, especially widowed, the opportunity to run their own business and be the bread winner of the family. To get over the crisis and uproot it, the centers were keened on providing awareness lectures to the beneficiaries on peaceful coexistence, rejecting violence, tolerance, cooperation, protecting the environment and respecting human rights.
Outputs	<ol style="list-style-type: none"> 1. PSS and educational support were provided to 2110 children. 2. PSS and educational support were provided to 1139 women.

Location	Ninawa, Mosul City, West Mosul, Meshherfa 1 Neighborhood
A Brief Description of the Activity	IID distributed food aids to 1000 families in Meshherfa 1 Neighborhood. Food aids were provided to those families. The families were in dire need of filling their food shortage they suffered from for more than three months. It was reported that over 17 innocent people had died of hunger and thirst because of ISIL blockade and ISIL used those innocent people as human shields.

Activity Nr. 9

Activity Name	Establishing a women's volunteer team (Qadirat)
The Donor	Konrad Adenauer Stiftung, KAS
Date of the Activity	4/9/2017 to 15/11/2017
Location	Ninawa, Mosul City
The goal	After conducting a study on women situation in Mosul, IID had developed an action plan to form the first women's volunteer team working on women's issues after the liberation of Mosul city. The team aimed at promoting women's role in social life and creating initiatives for them to participate in the peacebuilding process and take their important role in the society.
A Brief Description of Activity 1	<p>Workshop 1: Women's role in peacebuilding, 3-4/11/2017:</p> <ol style="list-style-type: none"> 1. A session was held to discuss the causes of conflicts and how to resolve them. 2. Brainstorming was applied to order the conflicts and then a written assignment was given in order to know their sequence. 3. The reconciliation agreement was then explained with giving international and local examples. 4. The participants were divided into 5 working groups and asked to submit proposals on peacebuilding projects. 5. An explanation of the concept of advocacy and its tools was presented. 6. Participants were divided into two groups and examples of advocacy campaigns were provided and explained.
A Brief Description of Activity 2	<p>Workshop 2: What we do tomorrow, 9-10/11/2017</p> <ol style="list-style-type: none"> 1. Participants were divided into groups and asked what they know of civil society. Then, a brief history of the civil society was presented as well as its importance and legality. 2. Explaining the relationship of volunteering with the work of non - governmental organizations, then the role of volunteerism and its association with sustainable development was explained. 3. SWAT table on internal and external opportunities was explained as well the challenges and risks. The participants were divided into five groups, each of which analyzed the peace situation in Mosul and identified the main players to promote civil peace and how women have a major role to contribute to the promotion of civil peace. 4. The participants were divided into 4 groups and were asked to select a name for their voluntary team. Qadirat name was agreed upon, which means "capable of" in English. Qadirat to change their reality to better and promote their situation and build permanent peace. After selecting the name, the organizational structure was detailed and agreed upon that consists of a head, follow-up groups and committee. Also, they decided to write the goal, vision and the mission of the team. In the end, three logo samples were presented that were designed by the participants themselves. After thorough discussions, one was selected putting the team name on it.

Activity Nr. 10

Activity Name	Ninawa international marathon for peace and reconstruction
The Donor	The Reconstruction Fund of the Areas Affected by Terrorism
Date of the Activity	30/11/2017
Location	Ninawa, Mosul City
A Brief Description of the Activity	On 30/11/2018, IID contributed in organizing Ninawa International Marathon for Peace and Reconstruction with the Ministry of Youth and Sports. Iraqi security forces declared the final victory in July in the battle to oust ISIL from Mosul, but the cost was too high, many civilians were killed or injured with a very high scale of destruction. On Thursday, more than 4,000 Iraqi and foreign runners took part in a first " Ninawa International Marathon for Peace and Reconstruction " in east Mosul that kicked off near the destroyed Old Bridge in order to send a message to the international community that Mosul would rise again despite the harsh and cruel circumstances that experienced under ISIL terrorist occupation.

Activity Nr. 11

Activity Name	Mechanism of monitoring and reporting
The Donor	Konrad Adenauer Stiftung (KAS)
Date of the Activity	10/12/2017 to 13/12/2017
Location	Ninawa, Mosul City
A Brief Description of the Activity	IID organized a workshop for 4 days from 10/12 to 13/12/2017. The workshop was entitled (Monitoring and Reporting Mechanisms). 27 IID members participated in the training to learn how to write reports, methods of monitoring results and how to write success stories in activities. Also, they were trained on the types of reports and how to write each report after the follow-up and evaluation process whose tools were explained through evaluation formats, personal interviews and/or arranging focus group to the target groups.
